AGENDA

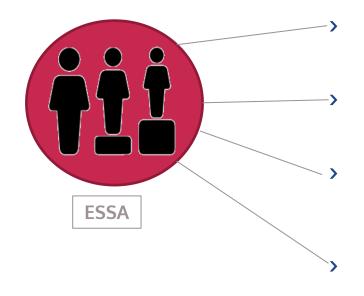

- ESSA (Every Student Succeeds Act)
- What is Title I?
- Funding Allocations
- Annual Review of District Parent and Family Engagement Policy
- District Parent Liaisons
- NYSED Complaint Procedures
- Q & A Session

WHAT IS EVERY STUDENT SUCCEEDS ACT (ESSA)?

The Every Student Succeeds Act (ESSA) is a federal law that includes requirements for schools, Local Educational Agencies (e.g. districts and charter schools) and states, including some related to **accountability, school improvement**, and educator development and student supports.

ESSA was signed into law in 2015, replacing the No Child Left Behind Act from 2001. All states were required by the U.S. Department of Education (USDE) to submit by September 2017 their ESSA implementation plan for approval. New York State's plan was approved in January 2018.

ESSA IS EQUITY

Emphasizes fostering equity in education for New York's students

Expands measures for school support and accountability and student success

Requires school-level improvement plans for the lowest performing schools overall

Requires school-level improvement plans for the schools with the lowest performance for certain student populations

New York State is committed to ensuring that all students succeed in school no matter who they are, where they live, where they go to school, or where they come from.

ESSA IS EQUITY

MORE THAN AN ACCOUNTABILITY SYSTEM

EDUCATORS

- Strategies for supporting the professional growth of educators
- Address disparities in training to increase classroom effectiveness

SCHOOLS

 Increase fiscal transparency in school building spending

STUDENTS

- Access to a well-rounded, culturally responsive education that supports students' academic and socialemotional development
- More access to rigorous high school coursework

MULTIPLE MEASURES OF SUCCESS

WHAT IS TITLE I?

- ➤ Title I is a federal grant program designed to give educational assistance to students living in areas of high poverty. The Title I program originated in 1965 when Congress passed the Elementary and Secondary Education Act, and was reauthorized in 2001 with the passage of the No Child Left Behind Act. Title I is one of the oldest and largest federal programs supporting elementary and secondary education in existence, and over 90% of the school systems in the United States receive some sort of Title I funding.
- ➤ The Title I program provides financial assistance through State educational agencies (SEAs) to local educational agencies (LEAs) and public schools with high numbers or percentages of poor children to help ensure that all children meet challenging State academic content and student academic achievement standards. Title I reaches about 12.5 million students enrolled in both public and private schools. Title I funds may be used for children from preschool age to high school, but most of the students served (65 percent) are in grades 1 through 6; another 12 percent are in preschool and kindergarten programs.

PURPOSE OF ALLOCATION

Ensure that all children have fair, equal, and significant opportunity to obtain high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and assessments.

ELIGIBILITY

Federal allocation is made to NYSED based on poverty data from US Census

NYSED allocates subgrants to LEAs based upon federal allocation and other adjustments

LEAs make school level allocations using a per pupil for low income students

ANNUAL REVIEW OF THE DISTRICT PARENT AND FAMILY ENGAGEMENT POLICY

Policy # 3170

The Mount Vernon Board of Education believes that positive parent and family engagement is essential to student achievement, and thus encourages such involvement in school educational planning and operations. The Mount Vernon Board of Education also believes that ongoing parental engagement is a responsibility that is shared by both the school and family during the entire period the child spends in school. Parent and family engagement may take place either in the classroom or during extra-curricular activities. However, the Board also encourages parent and family engagement at home (e.g., planned home reading time, informal learning activities, and/or homework "contracts" between parents and children). The Board directs the Superintendent of Schools to develop a home-school communications program to encourage all forms of parent and family engagement.
