Parent Involvement Day

Holmes School

Monday, February 10, 2020

9:00 am – 3:00 pm

National Parent Involvement Day provides a yearly opportunity for schools and families to honor and highlight the powerful contributions parents and caregivers provide at school and home to support student success.

Please join us for a fun and informative day!

Spend the day with your child, visit his/her class, attend workshops and engage with other Holmes Parents.

“\nAt the end of the day, the most overwhelming key to a child’s success is the positive involvement of parents.\
